

Hello,

I wanted to extend my sincere appreciation for everything that the Hellenic Federation does for the next generation of Greek-American leaders. Though the monetary scholarship will help me pursue my future goals in whichever career path I choose, the support of the Federation means so much more. Knowing that I have the support of a range of successful and caring Greek-Americans provides a strong support system that I can lean on throughout my career. I will use this support in my future path, and I look to give back to this community that has already given me so much.

Thank you again for the generous scholarship and the unwavering support.

Best,  
George
